GACHON UNIVERSITY in KOREA

CARITAS, DEVOTIO, and PATRIOTISMUS...

In March 2013, Gachon University opened another proud chapter in its history through a merger which uplift and renewed our spirits.

Gachon University, established after the first-ever merger between two four-year private universities in Korea, proposes a vision wherein the skills and capabilities of all the members of the University are combined and harmonized with its aim of maximizing the synergy from the merger.

'2020 TOP 10 - leap into the prestigious global university list' is the new vision of Gachon University which was founded on a vision of

'developing global talent with character'.
